We decided to start capital fasting  
 We will not consume anything, we will  
 not produce anything, we will not move  
 we will form a jointed force of inactivity,  
 while slowly and effectively changing  
 something  
 undetectable  
 untraceable  
 anti-productive  
 and cheap

# พีค๗๕๐๗

Do we die online  
 Do we stay in the fight  
 Do we kill online  
 Do we leave it all behind

Prosthetic bodies in a bodiless being  
 Alternative facts of a probable feeling

Not neutrality  
 Not fidelity  
 Not likes  
 Not brutality  
 No loyalty  
 And excess  
 Not immortality  
 Not security  
 And death

Come and export me  
 Promotion sales me  
 And ship it

Express delivery  
 Premium quality

I'll be that cardboard box  
 Delivered at your neighbour's door

I'll be the perfect spy  
 Selling your private sight
